Summaries and publications

Summary (less than 3000 characters) which be placed in the symposium materials should be written in English. It should provide sufficient information about methods, results, the discussion and conclusion. It should contain: name(s) (in initials), surname, authors addresses, e-mail address for the corresponding authors. Up to five keywords should be added.

For those who are interested in publishing in JCEA: The full paper should be written in accordance with the “JCEA Guide to authors”. For JCEA instructions please refer to: www.agr.hr/jcea/gtauthors.html. The deadline for full papers is 31.07.2008. Manuscripts, after being positively reviewed, will be successively published in JCEA during 2008 and 2009 years.
